Bar Date Notice Package - Page 2

Asbestos Property Damage Claims and Medical Monitoring Claims, as defined on Exhibit 1 attached.

Under the Bar Date Order, the Court established the following Bar Date:

March 31, 2003 at 4:00 p.m. Eastern Time as the last day and time for all persons and entities, including without limitation, each individual, partnership, joint venture, corporation, estate, trust and governmental unit who have **Claims**, including **pre-petition** Non-Asbestos Claims and **present** Asbestos Property Damage Claims or Medical Monitoring Claims against any of the Debtors or their predecessors-in-interest, to file proofs of claim.

A copy of the Bar Date Order setting the Bar Date is enclosed.

1. WHO MUST FILE A PROOF OF CLAIM

On April 2, 2001 (the "Petition Date"), each of the Debtors commenced a case under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code.")

You **MUST** file a Proof of Claim if you have a **CLAIM** against the Debtors including but not limited to any **pre-petition** Non-Asbestos Claim or any **present** Asbestos Property Damage Claim or Medical Monitoring Claim as defined in Exhibit 1. Any person or entity having such a claim against the Debtors must file a Proof of Claim on or before the Bar Date, using the applicable Proof of Claim form approved by the Court.

The Bar Date does not apply to Asbestos Personal Injury Claims, Settled Asbestos Claims or Zonolite Attic Insulation Claims as defined in Exhibit 1. Asbestos Personal Injury Claims, Settled Asbestos Claims and Zonolite Attic Insulation Claims will be subject to a separate claim submission process and should not be filed at this time.

The Bar Date does apply to derivative asbestos claims and asbestos-related claims for contribution, indemnity, reimbursement or subrogation. The Bar Date also applies to personal injury and/or wrongful death claims which are not asbestos-related.

IN THE EVENT THAT PRIOR TO THE BAR DATE YOU FILED A PROOF OF CLAIM FOR AN ASBESTOS PROPERTY DAMAGE CLAIM OR MEDICAL MONITORING CLAIM USING OFFICIAL FORM 10 OR ANY OTHER PROOF OF CLAIM FORM, YOU MUST REFILE YOUR CLAIM ON THE APPROPRIATE SPECIALIZED COURT-APPROVED PROOF OF CLAIM FORM ON OR BEFORE THE BAR DATE OR YOUR CLAIM SHALL BE BARRED AND DISALLOWED.

In the event that prior to the Bar Date you filed a proof of claim for any claim **other than** an Asbestos Property Damage Claim or Medical Monitoring Claim using Official Form 10 or any other proof of claim form, you do **not** need to refile your claim on the appropriate specialized court-approved proof of claim form on or before the Bar Date so long as you identified the appropriate Debtor against which your claim is asserted in your proof of claim form.

Under Section 101(5) of the Bankruptcy Code and as used in this notice, the word “claim” means (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured. Because of this broad definition, acts or omissions of the Debtors that occurred before the Debtors filed their Chapter 11 cases on April 2, 2001 may give rise to claims against them notwithstanding that such claims may not have matured or become fixed or liquidated prior to such date. Therefore, any creditor having a claim against the Debtors, no matter how remote or contingent, must file a proof of claim before the Bar Date.

As outlined herein, you must file a claim if you have a **PRE-PETITION** Non-Asbestos Claim or any **PRESENT** Asbestos Property Damage Claim or Medical Monitoring Claim as defined in Exhibit 1. A **PRE-PETITION** claim is a claim as of the time **IMMEDIATELY PRECEDING THE COMMENCEMENT OF THE CHAPTER 11 CASES ON APRIL 2, 2001**. A **PRESENT** claim is a claim as of the time **IMMEDIATELY PRECEDING THE BAR DATE**.

2. WHO DOES NOT NEED TO FILE A PROOF OF CLAIM

The Bar Date and the need to file a Proof of Claim applies only to holders of pre-petition Non-Asbestos Claims against the Debtors and holders of present Asbestos Property Damage Claims and Medical Monitoring Claims against the Debtors. You do not need to file a proof of claim if you have any of the following types of claims:

- A. **An Asbestos Personal Injury Claim, Settled Asbestos Claim or Zonolite Attic Insulation Claim;**
- B. A claim that (i) is listed on the Debtors’ Schedules (as defined below), (ii) is not described in the Schedules as “disputed,” “contingent,” or “unliquidated,” and (iii) is in the same amount and of the same classification as set forth in the Schedules;
- C. An administrative expense of any of the Debtors’ Chapter 11 cases as defined in Sections 503(b) or 507(a) of the Bankruptcy Code as including the actual, necessary costs and expenses of preserving the estate;
- D. A claim of a Debtor or a subsidiary of a Debtor against another Debtor or another subsidiary of a Debtor;
- E. A claim that has been allowed by an order of the Court entered on or before the Bar Date;
- F. A claim of a present or former employee of the Debtors who is currently receiving, currently has the right to receive, or may in the future have a right to elect to receive, benefits under a state-mandated workers' compensation system on

Bar Date Notice Package - Page 4

account of any personal injury claims. *However, any claims held by former or current employees that may be asserted directly against the Debtors outside of a state workers' compensation system including, but not limited to, claims for pre-petition wages, salaries and benefits and deferred compensation, if any, are subject to the Bar Date and such employees who want to preserve their right, if any, to assert a claim directly against the Debtors outside of a state workers' compensation system must file a Proof of Claim by the Bar Date in order to preserve such claim or be forever barred from asserting such claim;*

- G. The Chase Manhattan Bank, n/k/a JP Morgan Chase, in its capacity as administrative agent for the Banks and Purchasing Banks which are parties to one or both of the two \$250 million unsecured revolving credit facilities, namely: (i) the Credit Agreement dated as of May 14, 1998, and (ii) the 364-Day Credit Agreement dated as of May 5, 1999, as each may have been amended or supplemented (collectively, the "Pre-Petition Facilities") may file proofs of claim in respect of claims for principal, interest and other amounts that arise under the two Pre-Petition Facilities on behalf of the Banks and Purchasing Banks for which it acts in lieu of or in addition to any individual proofs of claim filed by such debtholders and, accordingly, such Banks and Purchasing Banks need not file proofs of claim asserting such claims; provided, however, that such debtholders must file individual claims against the Debtors for all other claims they seek to assert against the Debtors; and
- H. Any holder of an interest in the Debtors arising solely from its ownership of the common stock or other equity securities of the Debtors need not file a proof of interest, but must file a proof of claim for any claim they have against the Debtors.

YOU SHOULD NOT FILE A PROOF OF CLAIM IF YOU DO NOT HAVE A CLAIM AGAINST THE DEBTORS OR IF THE CLAIM YOU HELD AGAINST THE DEBTORS HAS BEEN PAID IN FULL.

THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A CLAIM OR THAT THE DEBTORS OR THE COURT BELIEVE YOU HAVE A CLAIM.

3. ASBESTOS PERSONAL INJURY CLAIMS, ZONOLITE ATTIC INSULATION CLAIMS

The Bar Date does not apply to Asbestos Personal Injury Claims, Settled Asbestos Claims or Zonolite Attic Insulation Claims. Asbestos Personal Injury Claims, Settled Asbestos Claims and Zonolite Attic Insulation Claims will be subject to a separate claims process, to be established by the Court, and should not be filed at this time.

4. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Any person or entity that holds a claim arising from the rejection of an executory contract or unexpired lease must file a proof of claim on or before the later of (a) 30 days after service of

an order of the Court approving such rejection or 30 days after service of notice of such rejection, if such rejection occurs by expiration of time fixed by the Court, or (b) the Bar Date.

6. WHAT TO FILE

If you file a Proof of Claim, you must use the appropriate court-ordered Proof of Claim form supplied with this notice. If you are filing a Proof of Claim for an Asbestos Property Damage Claim, use the Proof of Claim form entitled "Grace Asbestos Property Damage Proof of Claim Form". If you are filing a Proof of Claim for a Medical Monitoring Claim, use the Proof of Claim form entitled "Asbestos Medical Monitoring Proof of Claim Form." IF YOU HAVE A CLAIM AGAINST MORE THAN ONE OF THE DEBTORS YOU MUST FILE A SEPARATE PROOF OF CLAIM ASSERTING EACH SUCH CLAIM AGAINST THE APPROPRIATE DEBTOR.

7. PRODUCT INFORMATION

For your information and assistance in completing the Asbestos Property Damage Claim Form, the Debtors mined vermiculite and produced and marketed vermiculite products, some of which may have contained naturally occurring asbestos. Grace also produced and marketed vermiculite products containing added asbestos for use primarily in commercial, public and high-rise residential buildings. These products included ceiling and wall finishes, plasters, and cements. In addition, from 1959 to 1973, Grace or its predecessor marketed Mono-Kote 3 (MK-3), an asbestos-containing, wet, spray-on fireproofing plaster used to provide fire protection for the enclosed steel beams in such buildings. A list of the brand names under which the Debtors manufactured products that may have contained commercially added asbestos is attached as Exhibit 2.

8. CLAIMS AGAINST MULTIPLE DEBTORS/OTHER NAMES

If you assert claims against more than one Debtor, you must file a separate Proof of Claim Form against each applicable Debtor. The case number of each Debtor is listed on the

attached Exhibit 1 and the General Instructions for filing Proof of Claim Forms. If you file a single Proof of Claim Form asserting a claim against more than one Debtor, your claim will be deemed to have been filed against the first Debtor identified only. All additional identified Debtors will be disregarded.

If you believe you have a claim against the Debtors' estates but you are not sure which Debtor to assert your claim against, attached as part of Exhibit 1 to this Bar Date Notice is also a list of "other names" used by the Debtors' main operating entity, W. R. Grace & Co. - Conn., case no. 01-1179. Any Claims you wish to assert against one of these "other names" should be filed against W. R. Grace & Co. - Conn.

If you need additional Proof of Claim Form(s), you may obtain additional forms by: (a) calling the Claims Processing Agent toll free at 1-800-432-1909; or (b) requesting such forms via the website at www.graceclaims.com

IF ANY SUCH CLAIMS ARE SO BARRED, EACH OF THE DEBTORS AND ITS PROPERTY SHALL BE FOREVER DISCHARGED FROM ALL INDEBTEDNESS AND LIABILITIES WITH RESPECT TO SUCH CLAIMS AND THE HOLDERS OF SUCH CLAIMS SHALL NOT BE PERMITTED TO VOTE ON ANY PLAN OR PLANS OF REORGANIZATION OR RECEIVE ANY DISTRIBUTION IN THESE CHAPTER 11 CASES ON ACCOUNT OF SUCH CLAIMS, OR TO RECEIVE FURTHER NOTICES REGARDING SUCH CLAIMS OR REGARDING THESE CHAPTER 11 CASES. *As noted above, present or former employees of the Debtors receiving or having a right to elect to receive workers' compensation benefits on account of asbestos exposure do not need to file a Proof of Claim to preserve such benefit but must file a Proof of Claim if they seek to preserve a right to proceed against the Debtors in respect of all Non-Asbestos Claims.*

10. THE DEBTORS' SCHEDULES AND ACCESS THERETO

Bar Date Notice Package - Page 10

by one or more of the Debtors and arising or allegedly arising directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. For purposes of the Bar Date, the defined term “Non-Asbestos Claim” is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c) Settled Asbestos Claims; (d) Zonolite Attic Insulation Claims; or (e) Medical Monitoring Claims.

Asbestos Property Damage Claim: Asbestos Property Damage Claims are claims **as of the time immediately preceding the Bar Date** that relate, for example, to the cost of removal, diminution of property value or economic loss caused by asbestos in products manufactured by the Debtors or from vermiculite mined, milled, or processed by the Debtors. More specifically, Asbestos Property Damage Claims are those claims against, or any debt, obligation or liability of, one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, property damage, including, but not limited to, diminution in the value thereof, or environmental damage or economic loss caused or allegedly caused, directly or indirectly, by asbestos in products or materials, manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors or from vermiculite mined, milled, or processed by the Debtors and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. For purposes of the Bar Date, the defined term “Asbestos Property Damage Claim” is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Zonolite Attic Insulation Claims; (c) Settled Asbestos Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of claims for property damage relating to asbestos or vermiculite.

Medical Monitoring Claim: Medical Monitoring Claims are those claims by or on behalf of those who have not as of the Bar Date suffered any personal injury but who are alleging that Grace wrongfully caused them to be significantly exposed to hazardous asbestos fibers, that this exposure significantly increased the claimant’s risk of contracting a serious latent disease, that medical monitoring could reasonably be expected to result in early detection of the onset and mitigation of the severity of such disease, and that because of this exposure it is necessary for the claimant to be examined by a physician or receive medical testing more often than he or she otherwise would.

As outlined in the Claims Bar Date Notice, the Bar Date does not apply to Asbestos Personal Injury Claims, Settled Asbestos Claims or Zonolite Attic Insulation Claims. Those claims will be subject to a separate claims submission process and should not be filed at this time. Those claims are defined as follows:

Asbestos Personal Injury Claim: Asbestos Personal Injury Claims are those claims involving personal injuries or damages related to exposure to asbestos containing products manufactured by the Debtors or exposure to vermiculite mined, milled or processed by the Debtors. More specifically, Asbestos Personal Injury Claims are those claims against one or more of the Debtors, whether in nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, physical, emotional or other personal injuries or other damages caused, or allegedly caused, directly or indirectly, by the exposure to, asbestos containing products or materials manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors or by the exposure to vermiculite mined, milled or processed by the Debtors, and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory damages such as loss of consortium, medical monitoring, personal or bodily injury, wrongful death, survivorship, proximate, consequential, general and special damages and punitive damages. “Asbestos Personal Injury Claim” is

not intended to include those claims separately defined herein as (a) Asbestos Property Damage Claims; (b) Zonolite Attic Insulation Claims; (c) Settled Asbestos Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of exposure to asbestos or asbestos-containing products or the mining, milling or processing of vermiculite.

Settled Asbestos Claim: Settled Asbestos Claims are those Asbestos Personal Injury Claims against the Debtors for which the Claimant and one or more of the Debtors entered into a fully-effective and binding settlement agreement, for a liquidated amount, as of the commencement of the Debtors' chapter 11 cases on April 2, 2001, but for which the Claimant has yet to receive full payment. "Settled Asbestos Claim" is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c) Zonolite Attic Insulation Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of exposure to asbestos or asbestos-containing products or the mining, milling or processing of vermiculite.

Zonolite Attic Insulation Claim: Zonolite Attic Insulation Claims are claims that relate, for example, to the cost of removal, diminution of property value or economic loss caused by the presence of Zonolite Attic Insulation manufactured by the Debtors. Zonolite Attic Insulation is a loose-fill, non-roll vermiculite home attic insulation, which may contain naturally occurring asbestos. It was sold from the 1920/1930s to 1984. Zonolite may have a glittery granular appearance. The granules are shaped like a small nugget and expanded like an accordion and may have a silvery, gold translucent or brownish cast. After years in the attic, however, the granules may darken to black or gray. Zonolite may be found underneath subsequently installed insulation of other types such as rolled fiberglass insulation. Zonolite Attic Insulation Claims are those claims against, or any debt, obligation or liability of, one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity, relating to or arising by reason of, directly or indirectly, property damage, including, but not limited to, diminution in the value thereof, or environmental damage or economic loss caused or allegedly caused, directly or indirectly, by the Zonolite Attic Insulation sold, supplied, produced, specified, selected, distributed or in any way marketed by one of the Debtors -- and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. The defined term "Zonolite Attic Insulation Claim" is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c) Settled Asbestos Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of claims for property damage relating to Zonolite Attic Insulation.

**GENERAL INSTRUCTIONS FOR COMPLETING PROOF OF CLAIM FORMS
FOR THE BAR DATE**

The instructions and definitions below are general explanations of the law. In particular types of cases or circumstances, there may be exceptions to these general rules.

THE BAR DATE, AS DEFINED HEREIN, DOES NOT APPLY TO ASBESTOS PERSONAL INJURY CLAIMS, SETTLED ASBESTOS CLAIMS OR ZONOLITE ATTIC INSULATION CLAIMS, AS DEFINED BELOW. THOSE CLAIMS WILL BE SUBJECT TO A SEPARATE CLAIM SUBMISSION PROCESS AND SHOULD NOT BE FILED AT THIS TIME.

– GENERAL DEFINITIONS –

“Bar Date” is the date set by the Court as the date by which all persons and entities who have claims against the Debtors must file proofs of claim or be forever barred from asserting any such claims against the Debtors.

“Debtor” is the person, corporation, or other entity that has filed a bankruptcy case.

“Creditor” is any person, corporation, or other entity to whom the debtor owed a debt on the date the bankruptcy case was filed.

“Proof of Claim” is a form telling the bankruptcy court how much the debtor owed a creditor at the time the bankruptcy case was filed (the amount of the creditor’s claim). This form must be filed with the claims agent described below.

– THE DEBTORS –

The Bar Date for filing Proofs of Claim shall apply to persons and entities having claims within section 101(5) of the Bankruptcy Code against any or all of the following entities or their predecessors-in-interest as of the time immediately preceding the applicable Bar Date except for Non-Asbestos Claims which are claims as of the date immediately preceding the filing of the Chapter 11 cases on April 2, 2001: W. – **SPECIFIC DEFINITIONS** –

The Debtors have created specialized Proof of Claim forms for the following claims: Non-Asbestos Claims, Asbestos Property Damage Claims and Medical Monitoring Claims. Such claims are defined as follows:

“Non-Asbestos Claims” are any claims against the Debtors **as of the time immediately preceding the commencement of the Chapter 11 cases** on April 2, 2001 other than Asbestos Personal Injury Claims, Asbestos Property Damage Claims, Zonolite Attic Insulation Claims, Settled Asbestos Claims or Medical Monitoring Claims. More specifically, Non-Asbestos Claims are those claims against one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, any injury, damage or economic loss caused or allegedly caused directly or indirectly by any of the Debtors or any products or materials manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors and arising or allegedly arising directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. For purposes of the Bar Date, the defined term “Non-Asbestos Claim” is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c) Zonolite Attic Insulation Claims; (d) Settled Asbestos Claims; or (e) Medical Monitoring Claims.

“Asbestos Property Damage Claims” are claims **as of the time immediately preceding the Bar Date** that relate, for example, to the cost of removal, diminution of property value or economic loss caused by asbestos in products manufactured by the Debtors or from vermiculite mined, milled, or processed by the Debtors. More specifically, Asbestos Property Damage Claims are those claims against, or any debt, obligation or liability of, one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, property damage, including, but not limited to, diminution in the value thereof, or environmental damage or economic loss caused or

allegedly caused, directly or indirectly, by asbestos in products or materials, manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors or from vermiculite mined, milled, or processed by the Debtors and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. For purposes of the Bar Date, the defined term "Asbestos Property Damage Claim" is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Zonolite Attic Insulation Claims; (c) Settled Asbestos Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of claims for property damage relating to asbestos or vermiculite.

"Medical Monitoring Claims" are claims by or on behalf of those who have not as of the Bar Date suffered any personal injury but who are alleging that Grace wrongfully caused them to be significantly exposed to hazardous asbestos fibers, that this exposure significantly increased the claimant's risk of contracting a serious latent disease, that medical monitoring could reasonably be expected to result in early detection of the onset and mitigation of the severity of such disease, and that because of this exposure it is necessary for the claimant to be examined by a physician or receive medical testing more often than he or she otherwise would.

As outlined in the Claims Bar Date Notice, the Bar Date does not apply to Asbestos Personal Injury Claims, Settled Asbestos Claims or Zonolite Attic Insulation Claims. Those claims will be subject to a separate claims submission process and should not be filed at this time. Those claims are defined as follows:

"Asbestos Personal Injury Claims" are claims that involve personal injuries or damages related to exposure to asbestos containing products manufactured by the Debtors or exposure to vermiculite mined, milled or processed by the Debtors. More specifically, Asbestos Personal Injury Claims are those claims against one or more of the Debtors, whether in nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, physical, emotional or other personal injuries or other damages caused, or allegedly caused, directly or indirectly, by the exposure to, asbestos containing products or materials manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors or by the exposure to vermiculite mined, milled or processed by the Debtors, and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory damages such as loss of consortium, medical monitoring, personal or bodily injury, wrongful death, survivorship, proximate, consequential, general and special damages and punitive damages. The defined term "Asbestos Personal Injury Claim" is not intended to include those claims separately defined herein as (a) Asbestos Property Damage Claims; (b) Zonolite Attic Insulation Claims; (c) Settled Asbestos Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of exposure to asbestos or asbestos-containing products or the mining, milling or processing of vermiculite.

"Settled Asbestos Claims" are those Asbestos Personal Injury Claims against the Debtors for which the Claimant and one or more of the Debtors entered into a fully-effective and binding settlement agreement, for a liquidated amount, as of the commencement of the Debtors' chapter 11 cases on April 2, 2001, but for which the Claimant has yet to receive full payment. The defined term "Settled Asbestos Claim" is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c)

Zonolite Attic Insulation Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of exposure to asbestos or asbestos-containing products or the mining, milling or processing of vermiculite.

“Zonolite Attic Insulation Claims” are claims that relate, for example, to the cost of removal, diminution of property value or economic loss caused by the Zonolite Attic Insulation manufactured by the Debtors. Zonolite Attic Insulation is a loose-fill, non-roll vermiculite home attic insulation, which may contain naturally occurring asbestos. It was sold from the 1920/1930s to 1984. Zonolite may have a glittery granular appearance. The granules are shaped like a small nugget and expanded like an accordion and may have a silvery, gold translucent or brownish cast. After years in the attic, however, the granules may darken to black or gray. Zonolite may be found underneath subsequently installed insulation of other types such as rolled fiberglass insulation. Zonolite Attic Insulation Claims are those claims against, or any debt, obligation or liability of, one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity, relating to or arising by reason of, directly or indirectly, property damage, including, but not limited to, diminution in the value thereof, or environmental damage or economic loss caused or allegedly caused, directly or indirectly, by the Zonolite Attic Insulation sold, supplied, produced, specified, selected, distributed or in any way marketed by one of the Debtors -- and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages. The defined term “Zonolite Attic Insulation Claim” is not intended to include those claims separately defined herein as (a) Asbestos Personal Injury Claims; (b) Asbestos Property Damage Claims; (c) Settled Asbestos Claims; (d) Non-Asbestos Claims; or (e) Medical Monitoring Claims even though such claims may or may not arise directly or indirectly as a result of claims for property damage relating to Zonolite Attic Insulation.

The Bar Date for filing NON-ASBESTOS CLAIMS, ASBESTOS PROPERTY DAMAGE CLAIMS AND MEDICAL MONITORING CLAIMS is March 31, 2003 at 4:00 p.m. Eastern Time.

Be sure to date the claim and place original signature of claimant or person making claim for creditor where indicated at the bottom of the claim form. SPECIFIC INSTRUCTIONS FOR COMPLETING GRACE NON-ASBESTOS PROOF OF CLAIM FORMS

The instructions and definitions below are general explanations of the law. In particular types of cases or circumstances, there may be exceptions to these general rules.

This Proof of Claim form is for Creditors who have **Non-Asbestos Claims** against any of the Debtors. **Non-Asbestos Claims** are any claims against the Debtors as of a time immediately preceding the commencement of the Chapter 11 cases on April 2, 2001 other than Asbestos Personal Injury Claims, Asbestos Property Damage Claims, Zonolite Attic Insulation Claims, Settled Asbestos Claims or Medical Monitoring Claims, as defined on the enclosed General Instructions. More specifically, **Non-Asbestos Claims** are those claims against one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, any injury, damage or economic loss caused or allegedly caused directly or indirectly by any of the Debtors or any products or materials manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors and arising or allegedly arising directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages.

Administrative Expenses: Those claims for, among other things, the actual, necessary costs and expenses of preserving the estate as defined in Section 503 of the Bankruptcy Code that arose after the commencement of the case. A request for payment of an administrative expense may be filed pursuant to Section 503 of the Bankruptcy Code. This form should not be used to make a claim for an administrative expense.

Secured Claim: A claim is a secured claim to the extent that the creditor has a lien on property of the debtor (collateral) that gives the creditor the right to be paid from that property before creditors who do not have liens on the property. Examples of liens are a mortgage on real estate and a security interest in a car, truck, boat, television set, or other item of property. A lien may have been obtained through a court proceeding before the bankruptcy case began; in some states a court judgment is a lien. In addition, to the extent a creditor also owes money to the debtor (has a right to setoff), the creditor's claim may be a secured claim. (See also Unsecured Claim.)

Unsecured Claim: If a claim is not a secured claim, it is an unsecured claim. Unsecured claims are those claims for which a creditor has no lien on the debtor's property or the property on which a creditor has a lien is not worth enough to pay the creditor in full.

Unsecured Nonpriority Claim: Certain types of unsecured claims are given priority, so they are to be paid in bankruptcy cases before most other unsecured claims (if there is sufficient money or property available to pay these claims). The most common types of priority claims are listed on the proof of claim form. Unsecured claims that are not specifically given priority status by the bankruptcy laws are classified as Unsecured Nonpriority Claims.

Information about Creditor: Complete this section giving the name, address, and telephone number of the creditor to whom the debtor owes money or property, and the debtor's account number, if any. If anyone else has already filed a proof of claim relating to this debt, if you never received notices from the court which sent notice, or if this proof of claim replaces or amends a proof of claim that was already filed, check the appropriate box on the form.

1. **Basis for Claim:** Check the type of debt for which the proof of claim is being filed. If the type of debt is not listed, check "Other" and briefly describe the type of debt. If you were an employee of the debtor, fill in your social security number and the dates of work for which you were not paid.
2. **Date Debt Incurred:** Fill in the date the debt was first owed by the debtor.
3. **Court Judgments:** If you have a court judgment for this debt, state the date the court entered the judgment.
4. **Amount of Claim:** Insert the amount of claim at the time the case was filed in the appropriate box based on your selected Classification of Claim in item 5. If interest or other charges in addition to the principal amount of the claim are included, check the appropriate place on the form and attach an itemization of the interest and charges.
5. **Classification of Claim:** Check either Secured, Unsecured Nonpriority or Unsecured Priority as appropriate. (See Definitions above.)

Unsecured Priority Claim: Check the appropriate place if you have an unsecured priority claim, and state the amount entitled to priority. (See Definitions, above). A claim may be partly priority and partly nonpriority if, for example, the claim is for more than the amount given priority by the law. Check the appropriate place to specify the type of priority claim.
6. **Credits:** By signing this proof of claim, you are stating under oath that in calculating the amount of your claim, you have given the debtor credit for all payments received from the debtor.
7. **Supporting Documents:** You must attach to this proof of claim form, copies of documents that show the debtor owes the debt claimed or, if the documents are too lengthy, a summary of those documents. If documents are not available, you must attach an explanation of why they are not available.

Be sure to date the claim and place original signature of claimant or person making claim for creditor where indicated at the bottom of the claim form. Please type or print name of individual under the signature. Be sure all items are answered on the claim form. If not applicable, insert "Not Applicable".

**INSTRUCTIONS FOR FILING THE W. R. GRACE & CO.
ASBESTOS MEDICAL MONITORING PROOF OF CLAIM FORM**

WHO SHOULD USE THIS ASBESTOS MEDICAL MONITORING PROOF OF CLAIM FORM

1. This Asbestos Medical Monitoring Proof of Claim Form (referred to in this document as the "Form") applies only to claims being made against Grace by or on behalf of those who have not as of the Claim Bar Date suffered any personal injury but who are alleging that Grace wrongfully caused them to be significantly exposed to hazardous asbestos fibers, that this exposure significantly increased the claimant's risk of contracting a serious latent disease, that medical monitoring could reasonably be expected to result in early detection of the onset and mitigation of the severity of such disease, and that because of this exposure it is necessary for the claimant to be examined by a physician or receive medical testing more often than he or she otherwise would.
2. The Bar Date does not apply to Asbestos Personal Injury Claims, Settled Asbestos Claims or Zonolite Attic Insulation Claims. Those claims will be subject to a separate claim submission process and should not be filed at this time.
3. This form should not be used for claims for an Asbestos Property Damage Claim or a Non-Asbestos Claim. Instead, separate specialized proof of claim forms for these claims should be completed.
4. Please do not distribute this form to others. Please call the Claims Processing Agent at 1-800-432-1909 to request additional forms if they are needed.
